

Circle of Fifths

Major Key Scale Degree Chords

Minor Key Scale Degree Chords

What It Shows

- The interconnection between the 12 chromatic scale notes, keys signatures, & chords
- **Relative Keys:** All 12 major keys and their related minor keys
- **Chords in Keys:** The 7 diatonic chords in all major and minor keys
- **# & b:** The number of sharps and flats in each key
- **Cycle of Fourths:** Move counter-clockwise round the circle in fourths
- **Enharmonic keys:** The 3 lower keys in the circle

- Work out the key of a piece of music
- Discover what notes chords contain
