TRACING CHORD SHAPES

Howdy guitar ace!

Here's a secret to help you remember new guitar chords:
Trace them! All you have to do is get a pencil, trace a few chord shapes daily, and say the names aloud. Now, get your pencil, ruler, and eraser - it's tracing time!

THANK YOU FOR BUYING OUR BOOK!

Hey there, guitar star!

If you like this guitar book and had fun with it, could you help us out? Please leave a little review on Amazon saying what you think (or ask an adult to do it for you.) It's like giving a thumbs-up to other kids who might want to read the book too. Plus, it tells us that you want more cool books, and we love making them for you! 🥰

My Mum (Tiff) and I read all the reviews personally while snuggled up on the couch together.

It's simple; use the QR code below (click or scan) to go straight to the Amazon review bit or head to this book's [Amazon page](#), scroll down, and click "write a customer review."

Thank you for being so supportive; you rock!

Love from Norman & Tiff. xx
